Steve Welcomme

Metcalf Copeman & Pettefar LLP

I have known Steve and his company for many years. He is a Partner of this very well respected firm. In my personal experience he practises as a Solicitor in a thorough, rigorous and professional manner.

My firm and I have recommended Steve's firm to hundreds of clients over the last 30+ years, including for conveyancing, litigation, commercial property and law, business and partnership advice and family matters. All the feedback we have received has been very positive.

I have recently had personal experience of Steve's services in relation to a property dispute. He completed the commission efficiently and on time. More than this, he 'went the extra mile' and telephoned me out of hours to discuss the matter. The advice he gave was concise, expert and well-reasoned in my opinion.

In my experience, Steve takes personal responsibility for the work he undertakes. He has a pride in his service and is friendly and approachable. He is available on his mobile telephone at any reasonable time and is always happy to discuss any issue relating to his work.

I am happy to recommend Steve and his firm's services to friends, family, clients or customers who are looking for an excellent, efficient, competitive and friendly legal service in the future. I believe they would not be disappointed.

I would be happy to speak to any potential clients or customers who are contemplating using Steve's services or the services of his firm.
